

## Computer Engineering Department

### Vision

To meet aspirations of local people by transforming students to be technically skilled diploma computer engineers, ethically sound, soft skilled and environmentally receptive citizens.

### Mission

- To provide exposure of latest tools and technology to meet the need of industry and society.
- To develop students to solve real life problems.
- To prepare students to acquire soft skill and entrepreneurship.
- To inculcate professional , ethical values.

### Faculties :

Sr. No.	Name	Designation	Qualification	Date of Joining	Details
1	J. M. Meshram	Lecturer	ME	03-06-2023	<a href="#">Click here</a>
2	Dr. M. V. Lande	Lecturer	PhD	07-09-2009	<a href="#">Click here</a>
3	A. S. Gaikwad	Lecturer	MTech	09-08-2016	<a href="#">Click here</a>

### Supporting Staff :

Sr. No.	Name	Designation
1	R. G. Waghmare	Instructor (TLA)

### PROGRAM EDUCATIONAL OBJECTIVES (PEO's)

PEO1 : To provide diploma students with solid foundation in computer engineering to pursue technical knowledge.

PEO2:To apply the principles of computer engineering to identify and solve real world problem.

PEO3: To adopt state of art computer engineering broad based technologies to work in multidisciplinary work environments.

PEO4 :To prepare diploma students for successful carrier with effective communication skill with related soft skill.

PEO5: Excel in professional ethics with social responsibilities.

PEO6: To nurture students to be sensitive to social and environmental issues while conducting their professional work.

### **PROGRAM SPECIFIC OUTCOMES (PSO's)**

PSO 1 Computer Software and Hardware Usage: Use state of art technologies for operations and application of computer software and hardware.

PSO 2. Computer Engineering Maintenance : Maintain computer engineering related software and hardware systems.
